v.

No. 4:14-cr-114-DPM-18

MARCUS F. ROE  
Reg. No. 28794-009

DEFENDANT

ORDER

Roe moves for an appointed lawyer. He believes that he qualifies for a reduced sentence based on amendments to the Sentencing Guidelines. When Roe was sentenced, he received two criminal history points because he was on parole when he committed his new crime. He would only receive one point under the amended Guidelines. This change, however, does not affect his sentencing range. Roe still has fifteen criminal history points, meaning he remains in criminal history category VI. His motion, *Doc. 1035*, is therefore denied.

So Ordered.
